Save the Date!

The South Bronx Earth Fest Committee would like to invite you to
“**GetGreen: South Bronx Earth Fest**”.
Saturday April 19th from 12pm – 4pm at St. Mary’s Park
(St. Ann’s Ave between 146th St and 148th St).

The purpose of Earth Fest is to raise awareness on many conservation, environmental and sustainability issues. It will include tables of information and activities on recycling, reuse and many other green initiatives. There will be numerous youth performances, including dance, an eco-centered music contest and a recycled fashion show.

This event will not only celebrate our environment but also the community we live in. Too often, the South Bronx is overlooked given that many large Earth Day events occur outside of the community. Please help us bring attention to the fact that we are making the environment a priority in the South Bronx. Your attendance will go a long way in helping make this Earth Fest a day the community will always remember with pride.

For more information contact John H. Johnson III at 212-788-7990 or email jjohnson@cenyc.org. We look forward to seeing you there and hope that we will be able to enjoy this wonderful community event together.

Sincerely,

South Bronx Earth Fest Committee
